

Dear Comrade,

Aug. 1, 2021

I am writing to you on behalf of Medford VFW Post 7677, where veterans come first. If you are currently not affiliated with any VFW Post, we graciously invite you to join our Post and take advantage of what we have to offer. We are a proactive and vibrant organization and we support various activities in the community and with our membership. We proudly support honoring veterans of past conflicts at local parades, ceremonies, and graveside events.

We envision a more active pace of events after this pandemic and a return of our traditional social event such as; fundraising, comedy shows, member dinners, hall events, canteen events, etc."

Our canteen has been a great avenue for socializing and networking with other members and we encourage members to take full advantage. Most notably we have been renovating and updating the canteen and it looks very fresh and rejuvenated for your enjoyment.

If you are looking to affiliate with a post and reengage with the Veteran community, then I encourage you to contact our Membership Chairman, Frank Johnson at 856-912-1518 or at Fjohnsonlt@aol.com. Regardless of your decision, you are always welcomed at Medford VFW Post 7677

Respectfully,

Mark Preston
